ABOUT THE ART IN THE OPEN:

The competition is for artwork image only, not billboard design. We are looking for images that are rectangular/horizontal/landscape in composition. In addition to the winning entrant's art image, name and medium, the billboard will also include the Hannibal Arts Council logo. Lamar Outdoor Advertising and Independent's Service Company is responsible for determining the final layout of the billboard and has the right to edit/crop artwork image to fit a particular billboard space. Location, sizes of billboards and duration of visibility will be solely determined by Lamar Outdoor Advertising based upon billboard space availability. Winning images are also featured on digital billboards in Hannibal and Quincy!

IMPORTANT TO KEEP IN MIND WHEN CHOOSING IMAGE TO SUBMIT:

When submitting images of work(s), keep in mind that SIMPLE, BOLD images with STRONG COLOR and VISUAL CONTRAST work best. Details get lost on outdoor advertising. We learned from the selection process for the first competition that not every art piece image submitted works for outdoor advertising. While a piece might be truly wonderful, unless it reads well at 65 miles an hour, it might not be a good fit for a billboard.
