

OPEN EXHIBIT FOR AREA ARTISTS!

IMPRESS ME

July 13-August 4, 2018

WHAT WORK FITS THE THEME?

The Hannibal Arts Council is looking for pieces that celebrate and emulate the **Impressionists** and **Impressionism**, the 19th century art movement characterized by relatively small, thin, yet visible brush strokes, open composition, emphasis on accurate depiction of light in its changing qualities, ordinary subject matter, inclusion of movement as a crucial element of human perception and experience, and unusual visual angles. Use your imagination to create a new piece of art or submit a piece you already have which channels your inner Monet, Manet, Cassatt or Renoir. We are looking for paintings, photographs, sculptures, mixed media...any media. Just make it fit the theme!

Also on display: Enduring Images: Osage Photographic Portraiture, Linda Muehring, Nick Sorrill and The Photography Channel: Signs.
